REALTY EXECUTIVES PRESENTS "TEAM OF THE WEEK"

Realty Executives is a proud sponsor of the local Emmy award-winning program, Preps Plus. Each week an Executive is involved in their community by supporting local parents, students, faculty, coaches and a community at large, through presenting the "Team of the Week" award.

Recently, Mike Dolan presented the "Team of the Week" award to the Pewaukee High School boy's wrestling team. "I was thrilled to present the award to the Pewaukee High School boy's wrestling team. This is a great opportunity for me as a Realtor, to get involved in my community and show my support to the local schools. I'm proud to be associated with Realty Executives, a company that truly cares about the community," said Sales Executive, Mike Dolan.

Be sure to check out this week's Executive, every Saturday at 11:05 p.m. on TODAY'S TMJ4 (WTMJ-TV). This program highlights boys and girls high school sports.

For more than 40 years, Realty Executive International, the nation's first 100-percent commission company, has been perfecting its business model and is one of the fastest growing real estate franchises in the United States. In the last year alone, REALTY EXECUTIVES International has experienced a phenomenal 260-percent increase in the growth rate of its number of offices.
